2. HYDRO BY TOM DIXON
GJ: This could be poolside in a lush Art Deco setting in Miami.
CCJ: It's so sexy but also practical because it's light and stackable. 21" w. x 24" d. x 33" h.; \$2,021. tomdixon.net

3. DAISY DOO BY LAUREL HARRINGTON

7. MISS WOOD
 GJ: It has a lightness about it because it has no hard edges, only organic contours. For a simple chair it is quite effective.
 CCJ: I do love the ombré effect. There's something pleasing about gradient color—it feels like sunrise.
 20" w. x 20" d. x 30" h.; \$2,940, by special order.

8. SUNNY 1 BY UCHRONIA
 GJ: The shape is natural and graphic.
 CCJ: This is striking. It has a really nice, patterned feel to it and redefines what a typical dining chair could be.
 22" w. x 24" d. x 32" h.; \$5,880.

9. HEXA BY PIERRE YOVANOVITCH
 CCJ: It's a friendly piece that can fit in almost anywhere with that shape.
 GJ: Pierre revitalized a chair from a Swedish designer who died in 1959. It would be great at a large dining table.
 20" w. x 23" d. x 35" h.; price upon request.
